TOVE FEVANG

Trafalgar Square Books is pleased to announce the publication of *Crochet for the Kitchen* by Tove Fevang. With the aid of over 180 gorgeous color photos, the author of *Totally Simple Crochet* makes it easy to bring these unique kitchen accessories to life—with nothing more than a crochet hook and a ball of yarn.

Step-by-step instructions are included for each fabulous pattern, organized by “look” to suit all tastes and kitchen styles. Stripes, flowers, patchwork, lace, bobbles, ruffles, and seasonal themes combine with vibrant colors and interesting textures. The result is a collection of delightful crochet and Tunisian crochet creations that *anyone* can make and *everyone* can enjoy.

TOVE FEVANG is known for her work in the areas of quilting, application and embroidery and, in particular, for her color sense and stylish patterns. She is also highly thought of as a course instructor, and is a member of the Crochet Guild of America. She has previously published *Totally Simple Crochet*, also available from Trafalgar Square Books. She lives in Norway.
